

TAHOE CITY RESIDENTIAL

PROJECT NO. 2867

SUPERVISORIAL DISTRICT 5

- VICINITY MAP -

- VIEW LOOKING NORTH ALONG JACKPINE STREET -

PROJECT DESCRIPTION

The residential development in the Tahoe City Residential area has steeply graded roads that are poorly improved for proper drainage. The existing roadway shoulders and drainage ways are primarily unprotected dirt, subject to erosion, which contributes to the sediment load reaching Lake Tahoe. CTC planning grant funds have been obtained to evaluate and investigate effective ways to maximize source control, decrease the potential for erosive surface flows, and infiltrate/treat storm water runoff.
